## SCHOOL IMPROVEMENT COMMITTEE

The School Improvement Council (SIC) serves as an advisory committee to the school's principal and faculty. SIC plays a key role in the education of our students as well as bringing together parents, educators and community stakeholders to work collectively to improve student achievement.

### **SIC Members:**

- Amy Lemons, Chairperson and Teacher, NW Crescent CDC
- Heather Miller, Teacher, Overbrook CDC
- Amanda Tucci, Teacher, Dunbar CDC
- Carla Fitzgerald, Teacher,, Golden Strip CDC
- Michelle Price, Teacher, Greenview CDC
- Amanda Lecaroz, Principal
- Tina Haley, AP, Greenview CDC

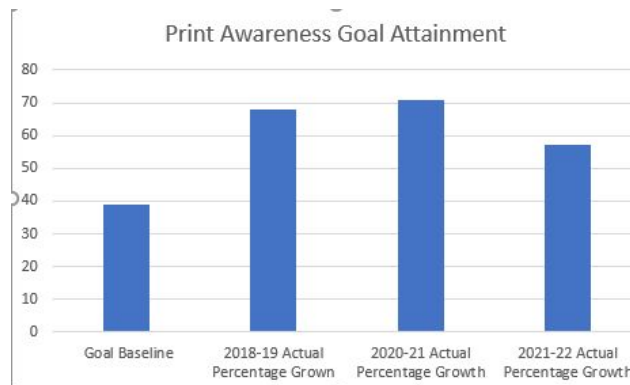

### **STRATEGIC PLAN UPDATE:**

In the 2022-23 school year, we have been working on the goals in the strategic plan to carry us through 2024. The following is the reporting of goal progress for the fourth year of the 5-year strategic plan. In 2021-22, we once again were able to collect end of the year data for the student achievement goals and are pleased to report the progress that has been made to achieve the identified targets.

## **STUDENT LEARNING AND ACHIEVEMENT**

**GOAL 1:** The percentage of CDC students that scored on or above the developmental range on the PALS' **Print and Word Awareness** subtest between the Fall of 2021 and Spring 2022 will increase by 57%.

**Goal Progress:** For the 2021-22 school year we increased by 57% on the PALS Print and Word Awareness subtest.

**GOAL 2:** The percentage of CDC students that achieved a proficient level on the **Magnitude of Numbers** Benchmark between Winter of 2022 and Spring 2022 will increase by 24% in explaining why something is more.

**Goal Progress:** We administered the Magnitude of Numbers in the Winter of 2022 and again in the spring and saw a 39% increase.

## **SCHOOL ENVIRONMENT**

**GOAL 3:** During unstructured play times, the percentage of students interacting with peers in an appropriate manner through maintaining personal space, sharing of materials and using a respectful voice (self-regulation behaviors) will increase by 10%.

**Goal Actions:** We are in year 2 of implementing the Conscious Discipline Approach to help better meet the emotional and behavioral needs of all children in the Child Development Centers.

**Goal Progress:** In 2021-22, overall the CDC students again showed improvement in the areas of arguing, cooperation with peers, temper outbursts, disruptive behavior, polite and socially appropriate interactions and impulsivity.

## **QUALITY AND DIVERSE STAFF**

**GOAL 4:** The school will have qualified, diverse teachers, staff and volunteers (gender and ethnicity) by 2023.

**Progress:** We meet the established expectations for a diverse staff but continue to recruit both new employees and volunteers to increase the diversity of adults that interact with our children on a daily basis in order to better reflect our community of learners. We also provide a comprehensive professional development program for all staff members focused on identified areas of need. We
