SIC Goals

- 1. Implement an inquiry-based instructional model and design lesson plans focused on the power standards, effective practices and performance tasks as required by the BCSD.*
- 2. Maintain the school-wide student assessment program; use data for decision making and action regarding student placement and instruction.*
- 3. Focus on the acquisition of technological skills in order to monitor and instruct students.*
- 4. Focus on planning, goal setting and collaborating in a positive manner with team colleagues and peers throughout the school community.*
- 5. Focus on school-wide teaming initiatives for the purpose of promoting school and district effectiveness in student achievement initiatives.*

Mission Statement

Our mission is to empower students to positively contribute to society.
