

Vision Statement

Chapin Intermediate School will, in partnership with the community, develop a vibrant educational experience and an appropriately challenging curriculum designed to meet the unique academic, social, and emotional needs of our students. Within a safe and welcoming environment, our students will acquire the skills and tools necessary for innovation and success in today's society while gaining the courage to face and adapt to tomorrow's challenges. Our students will be ethical and collaborative citizens, capable of examining problems, setting and achieving goals, and proposing and implementing informed solutions. We will inspire a continued passion for learning and serving in every student, ensuring our students are ready to succeed and take flight as they enter the next phase of their education and lives.

The mission of Chapin Intermediate School, in partnership with the community, is to develop all students academically, socially, and emotionally through a challenging instructional program that prepares all students for continued success and inspires a passion for learning and serving.

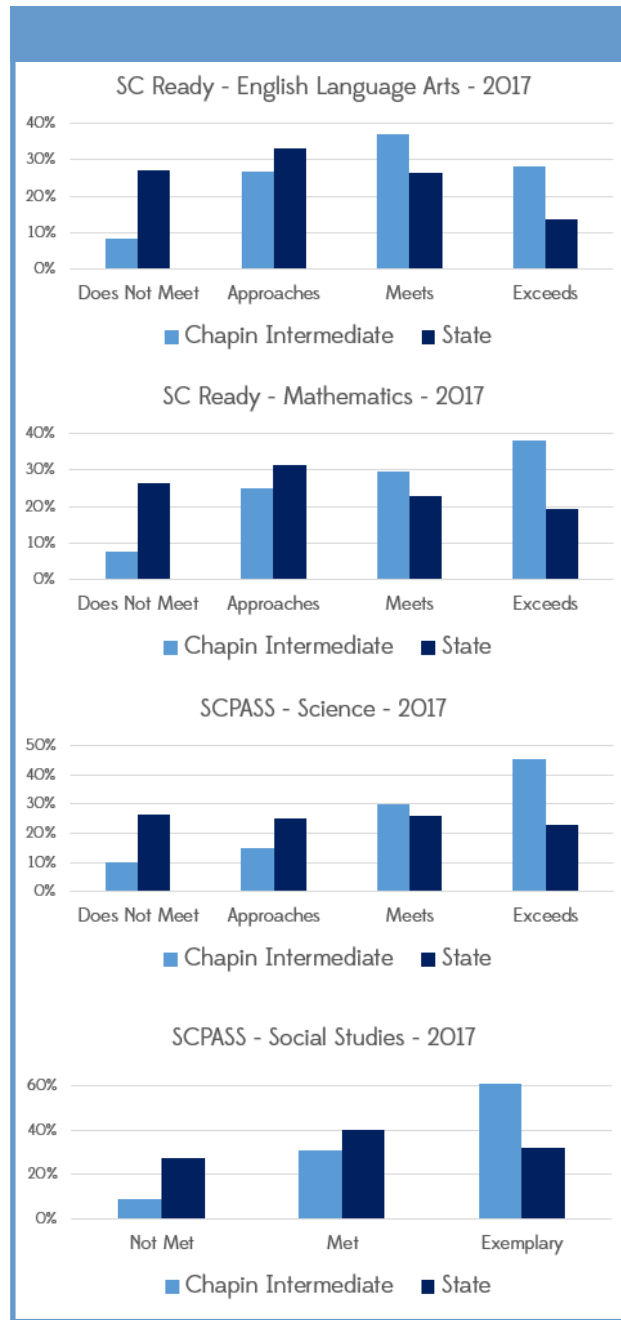

SIC Annual Goals

Goal 1: CIS-SIC is committed to ensuring that the Vision Statement for Chapin Intermediate School is applicable and continues to meet the needs of students, teachers, and our community. To that end, the CIS-SIC will analyze the current Vision Statement for Chapin Intermediate School, solicit input from stakeholders, and revise the Vision Statement accordingly.

Goal 2: CIS-SIC is committed to maintaining open lines of communication with parents and the community to ensure that important information can be shared in an efficient and timely manner. To that end, CIS-SIC will analyze current methods for receiving and disseminating information, solicit input from stakeholders, and consider and implement changes that will continue to improve the CIS communication plan.

Goal 3: CIS-SIC is committed to facilitating the social and emotional growth of its students. To that end, the CIS-SIC will analyze social and emotional trends among students and, in conjunction with other schools in the area, develop strategies and programs to assist students in coping with social and emotional issues.
