### Report To The Community

At Simmons-Pinckney, we understand the ultimate goal is to help scholars prepare for the next level. We expect all of them to succeed in the 21st Century. Our mission is to be a cohesive team that inspires and engages all students in relevant, authentic project-based learning experiences to be college and career ready while providing a culture that empowers students to take ownership of their learning. We aspire to leave a legacy that can be followed by future team members and students.

## School Improvement Council Goals and Progress for 2022-2023

### **Goal One:**

By June 2027, PARENT satisfaction with the school climate will improve, as indicated by the percent of PARENTS mostly agreeing or agreeing, (1) "I am satisfied with home-school relations" increasing from 58.6% to 64.8%; (2) "My child's teachers and school staff prevent or stop bullying at school" increasing from 63.4% to 68.9% ; and, (3) "My child's school considers changes based on what parents say" increasing from 56.6% to 63.1%.

1. Employ a Parent Advocate to serve as a liaison between the school and the families of our students.
2. Add feedback surveys to quarterly communications to families.

### **Goal Two:**

**Develop a welcome packet for families living here and new to the area who are looking to move into Simmons-Pinckney's attendance zone**

- Develop a pamphlet that consists of pertinent information about Simmons-Pinckney, CCSD, the Peninsula, and the Lowcountry.
- These pamphlets will be distributed at local real estate agencies, businesses that are attracting out-of-town workers, and for new enrollees at Simmons-Pinckney.

### **Goal Three:**

**Improve the process for transition for all feeder schools to Simmons-Pinckney for students and parents.**

- Plan and organize a rising 6th grade tour and parent night in the spring.
- Plan and organize feeder schools transition prior to the 2022-2023 school year.

## Simmons-Pinckney Whole-School Initiatives

### **Culture for Learning:**

EL CREW

Positive Behavioral Intervention & Support(PBIS)

Second Step

### **Learner Agency, Literacy and Numeracy, District Content Specialists, Literacy Coaches, Math Coaches:**

Reviewing and implementing district curriculum maps and pacing guides; reviewing content area instructional materials

### **Blended Learning:**

Using adaptive digital content to provide instruction and practice for students at their individual skill levels, to provide real-time data so that teachers can effectively provide small group instruction, and to allow teachers to provide targeted differentiated instruction as well as focus on grade-level standards

### **Exemplary Curriculum - EL(ELA) and Illustrative Math**

Students utilize high quality curriculum that enriches students' understanding of themselves and the world around them.

### **Advancement Via Individual Determination (AVID):**

Implementing strategies including writing to learn, inquiry, collaboration, organization, and reading to learn (WICOR) as well as transition experiences including mentoring and college site visits to ensure all students are college and career ready
