# Teacher Of The Year Stephanie Ethridge

When entering the doors of Carolina Park Elementary, any outsider would recognize a school filled with high-quality expectations through the work displayed in the hallways, authentic teachers that set high expectations for themselves and their students, and a safe, nurturing classroom environment where students can thrive. A place where the question "What is best for kids?" is the driving force behind every decision made.

Through the collective passion of our community members, teachers, and parents, Carolina Park continues to be the place I choose to teach each and every day.

"Carolina Park Elementary is a school where **TEACHERS** choose to teach, **PARENTS** want to send their children, and most importantly, **STUDENTS** love to attend each and every day."
