Teacher of the Year Sam Shealy

“As Teacher of the Year at Carolina Park, I find the most joy in being a part of a fun, engaging, creative and loving environment for our children. It is amazing to walk the halls and witness the excitement for learning on a daily basis. Working alongside parents and our community is a passion of mine to best prepare our students for what’s to come. The early years in a child’s life are most crucial when creating zest for learning! At Carolina Park Elementary we love, encourage and push our children to their highest potential all while making learning fun!”

Carolina Park named an EXCELLENT school by the State!

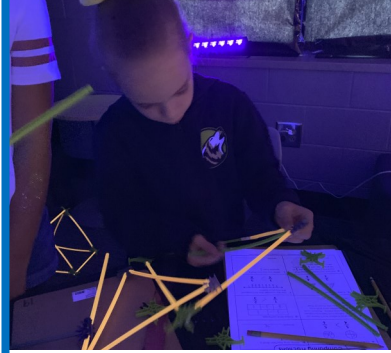

*“Carolina Park Elementary is a school where **TEACHERS** choose to teach, **PARENTS** want to send their children, and most importantly, **STUDENTS** love to attend each and every day.”*
