## School Highlights & Awards

Jackson Creek Elementary opened its doors for the first time on August 22, 2017. JCE is an AVID school—Advancement Via Individual Determination—which provides a framework for learning and a college and career ready environment. AVID uses WICOR (**W**riting to learn, **I**nquiry, **C**ollaboration, **O**rganization and **R**eading to learn) strategies in all classrooms.

In addition to AVID, JCE utilizes culturally relevant teaching practices that help to ensure curriculum and learning are meaningful to the students we serve. This involves ongoing professional development in exploring issues of race, culture and language as foundational to teaching practices and student learning.

The 7 Mindsets© is the core character development curriculum used at JCE. The mindsets that drive all that we do are:

Everything Is Possible, Passion First, We Are Connected, 100% Accountable, Attitude of Gratitude, Live to Give, The Time is Now
