### About Our School

Coosa Elementary School was built in 1998 and was named after the Coosa Indians who once populated this area. Approximately 38% of our students have a parent who serves in the military. We are the 12th school in SC and one of nearly 1,950 schools internationally implementing "The Leader in Me" leadership initiative, based on Covey's "The 7 Habits of Highly Effective People."

### What Are Our Current School Renewal Plan Goals?

(Goals are periodically reviewed by the SIC and Coosa faculty and staff to assess progress.)

Maintain and communicate a purpose and direction for continuous improvement with high expectations for learning and shared values and beliefs about teaching and learning.

Provide resources and services that support the purpose and direction to ensure success for all students.

Use a curriculum, instructional design and assessment practices that guide and ensure teacher effectiveness and student learning across all grades and courses.

Implement a comprehensive assessment system that generates a range of data about student learning and system effectiveness and uses the results to guide continuous improvement.

Operate under governance and leadership that promote and support student performance and system effectiveness.

## What is the School Improvement Council?

Mandated by law, the School Improvement Council (SIC) serves as an advisory group to the CES principal and faculty. The SIC plays a crucial role in school improvement by bringing together parents, educators, and community stakeholders who work collectively to establish, monitor and evaluate specific long-range goals (School Renewal Plan) for student achievement. Other duties include producing the annual report to parents which outlines the progress of that plan, and advising on the use of school incentive awards.
