## SIC Goal for 24-25

During the 24-25 school year, the goal of the School Improvement Council will be to establish a volunteer program that would recruit parents, older students (middle, high school, college) and community members and train them to support students in meaningful ways with literacy related to math and reading.

## Community Partners

At Graniteville we are also proud of our many community partners, including our School Improvement Council and PTO, but also Security Federal Bank, Gregg Park Civic Center, Christian Heritage Church, Jim Rooney State Farm, Sunrise Rotary Club, and the list goes on. These partners, as well as Midland Valley High School and USC-A students support our teachers and students.

## 2023 SIC Highlights

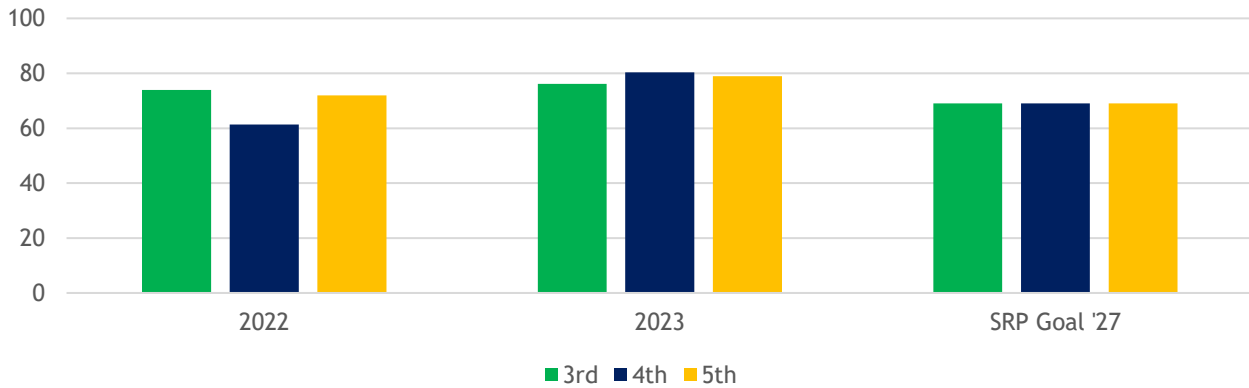

Some of the accomplishments of the School Improvement Council for the 23-24 school year:

- Established leadership roles within the School Improvement Council
- Assisted in implementing family night events, parent workshops and student featured activities such as our Fall Literacy Night, Day of Caring and “Graniteville’s Got Talent” student talent show
- Conducted annual survey to determine what activities, workshops, and events parents are interested in attending.
- Partnered with PTO to fund purchasing additional walkie-talkies so that teachers and staff can communicate easier.
