

Our Mission

Aiken Intermediate School prepares a community of learners with academic skills, habits of mind, and leadership abilities necessary to succeed in a global society.

Our Vision

Our vision is to forge strong, positive relationships with students so they can build confidence, gain academic knowledge, and achieve independence.

Aiken Intermediate School (AIS) offers an all sixth-grade experience. The academic and arts programs at AIS are specifically designed to meet the unique needs of 11- and 12-year old students. The staff is committed to helping students transition from elementary school to middle school by providing academic instruction in small learning communities or learning camps. In addition, the single-grade school concept focuses on building confidence in students through a Social, Emotional Learning emphasis.

Social and emotional learning (SEL) provides the structure and process for adults and students to develop fundamental emotional and social competencies and experiences to:

- understand and manage emotions,
- set and achieve positive goals,
- feel and show empathy for others,
- establish and maintain positive relationships and make responsible decisions.

In addition, Aiken Intermediate School's SEL program builds and deepens a positive, nurturing school, which in turn leads to long-term success for students.
