AFES Mission Statement

The mission of Allendale-Fairfax Elementary School is to create and maintain an environment that ensures that every student reaches a high level of academic achievement as determined by state and national standards. To ensure that this happens we commit to a comprehensive system of support.

AFES Vision Statement

Allendale-Fairfax Elementary School will have a safe, orderly environment where faculty, staff and administration work in harmony with mutual trust and respect where each child reaches high academic achievements and has his or her dreams nurtured.

School Goals

- Improving student achievement in the four core content areas
- Implementing a rigorous curriculum that supports student learning and achievement
- Integrating the use of technology into the curriculum to develop digital fluency
- Providing a safe and friendly environment that is conducive to learning
- Improving parental and community engagement
- Creating an environment that fosters a collaborative relationship between the home, school, and community to enhance the school climate.

What is AES doing to improve overall?

Instruction :
