

Mission Statement

The mission of Dr. Rose H. Wilder Elementary School is to educate our children through meaningful learning experiences in a safe and nurturing environment.

Beliefs

- We believe the primary focus of our school is to promote learning.
- We believe a variety of instructional opportunities ensure learning for each child.
- We believe teachers, parents, the community, and business partners should work together for the total education of our students.
- We believe the family is a key component in a student's life-long learning process.

Goals for 2024/2025

- Increase the number of books read by students in grades Pre-K-5th.
- Increase student achievement in the areas of English Language Arts and Mathematics.
- Increase the use of student data to guide classroom instruction.

SIC Annual Goals

As outlined in the Dr. Rose H. Wilder Elementary School's School Renewal Plan, three goals were identified along with action steps for each. These goals and action steps are outlined below:

Goal 1: By the end of the 2024-2025 school year, Dr. Rose H. Wilder Elementary School will increase the percentage of parents attending school conferences from a baseline of 85% to 90% as measured by parent surveys, sign-in sheets, parent workshops and PTO/SIC data.

Action Step: To increase parent attendance at conferences, Dr. Rose H. Wilder Elementary will strengthen communication, offer flexible scheduling, enhance engagement through workshops and incentives, and track attendance trends to refine outreach.

Goal 2: By the 2024-2025 school year, St. Paul Elementary will increase the percentage of students in grades 3-5 scoring meets and exceeds expectations in Math by 5-7 percentage points from the data of the previous year annually as measured by the SC Ready state assessment.

Action Step: Use Common Assessment Test Data, District Benchmark Test Data, MAP Test Data (Fall, Winter and Spring) as progress monitoring tools to determine the strengths and weaknesses of our students thus allowing teachers to implement best practices to increase student achievement.

Goal 3: By the end of the 24-25 school year, Rose Wilder Elementary will assist all

classroom teachers in grades 3-5 with interpreting and analyzing various types of student data to increase student achievement in the subject areas of Math and English Language Arts as measured by increased student achievement and growth on weekly common assessments, district benchmark exams, MAP test, STAR test, and state assessment exams. (SC Ready & SC PASS)

Action Step: Implementation of weekly Professional Learning Communities (PLC's), weekly lesson planning with the reading and instructional coaches, co-teaching with coaches, and professional development training for all instructional staff members.
