

MISSION STATEMENT

The mission of Summerton Early Childhood Center is to educate the “whole child” by partnering with parents and the community

TEAM

Together Expectations Are Met

VISION STATEMENT

We envision SECC as a place where everyone is a learner, and every experience is a learning opportunity.

BELIEFS

We believe that the elementary focus of our school is to promote learning.

We believe that ALL students can learn.

We believe that a variety of instructional opportunities ensure learning for each child.

We believe that individualized instruction and assessments, including self-assessments, meet the need of each student.

We believe that the curriculum should be integrated and include the use of technology.

We believe that teachers should work with parents, the community, and business partners for the total education of our students.

We believe in the active engagement of students in the learning process, cooperatively and independently.

We believe that all students at St. Paul Elementary will be challenged and encouraged to strive for excellence.

We believe that the family is a key component in a student’s lifelong learning process.
