

## Hilton Head Island Early Childhood Center Beliefs:

**\*Early childhood learning experiences form the foundation of future school success.**

**\*Children are unique, powerful and strong.**

**\*Educating the “whole child” is accomplished through opportunities for children to express themselves in multiple areas.**

**\*Children need to develop competent decision-making skills in order to be self-sufficient.**

**\*School families and community members are essential to the success of students.**

**HHIECC has aligned their Performance Goals with that of Beaufort County Schools :**

**Goal One:** Maintain and communicate a purpose and direction for continuous improvement that commit to high expectations for learning as well as shared values and beliefs about teaching and learning.

**Goal Two:** Provide resources and services that support its purpose and direction to ensure success for all students.

**Goal Three:** Curriculum, instructional design and assessment practices guide and ensure teacher effectiveness and student learning across all grades and courses.

**Goal Four:** Implement a comprehensive assessment system that generates a range of data about student learning and system effectiveness and use the results to guide continuous improvement.

**Goal Five:** Operate under governance and leadership that promote and support student performance and system effectiveness.

Our building opened its doors in January 2006 and we just celebrated our 10 year anniversary. In keeping with our philosophy, we believe services for children should be brought to the child. Hence, our facility is designed in four pod areas which house classrooms, support services and dining areas. This unique and award-winning design enhances the instructional program for pre-kindergarten and kindergarten students.
