Dr. Terrie Ard, *Principal*

Dr. Henry Williams, *Assistant Principal*

Grades
6-8

Enrollment
484

Average
Class Size
26

Mission

Unified as One, the mission of Clarendon County School District is to educate and empower students to become productive and responsible citizens.

Our Vision

MJHS strives to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We are committed to providing education that is "student centered and future focused" to produce students who are college and career ready.

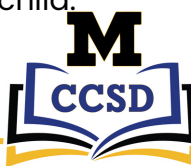

After School Program

The Original Six Foundation Practice Makes Perfect After School Program is in its 9th year to MJHS. It is a program where students work hard to improve their classroom learning through the completion of homework assignments and tutoring.

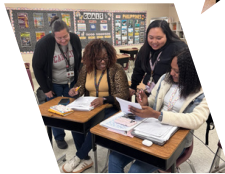

Student Support

Students at MJHS have the opportunity to participate in many programs that support their social and emotional well-being, provide leadership opportunities, and develop their talents. Keeping our diverse population in mind, our school works hard to ensure all students, regardless of backgrounds, have opportunities to participate in activities that interest them and help develop the whole child.

Strategies for Student Improvement

School Goals

1. By the end of the 2024-25 school year, students scoring meets and exceeds in grades 6, 7 and 8 will increase by 5% in ELA as measured by SC Ready
2. By the end of the 2024-25 school year, student achievement in grades 6, 7 and 8 will increase by 5% in Math as measured by SC Ready.

Why MJHS

MJHS works hard to ensure our students are learning in a safe and happy environment that fosters positive self-esteem and personal responsibility. We work together to deliver curriculum blended learning, using research based practices that integrate technology, to ensure our students meet the Profile of the SC Graduate.
