Mission and Belief Statements

The Academy for Career Excellence prepares high school students to become qualified work-force members by offering Career and Technical Education (CATE) programs leading to industry certifications, technical skills attainment and soft skills training necessary to support current regional and national business needs.

We Believe:

- A CURRICULUM INTEGRATING ACADEMIC AND CAREER TECHNOLOGY AND TRAINING IS ESSENTIAL FOR PRODUCING COLLEGE AND CAREER READY GRADUATES.
- WORK-BASED EXPERIENCE IS ESSENTIAL FOR SUCCESSFUL WORKPLACE ENTRY.
- INSTRUCTION WILL ENCOMPASS A VARIETY OF TEACHING METHODS FOR ALL LEARNING STYLES.
- EDUCATIONAL PROGRAMS WILL MEET THE NEEDS OF THE BUSINESS COMMUNITY.

Vision Statement

The vision of the ACE is to be recognized as one of the nation's leading technical high schools, graduating students who are ready to meet the global challenges of today's technical work force.

The ACE Board of Education, faculty, staff, and administration affirm that ACE intends to emerge as a state and national leader in career and technical education and workforce development.
