

Jefferson Elementary School

2018 Report to Parents

Principal
Becky Wilson

Assistant Principal
Peggy Coleman

Learners Today... Leaders Tomorrow

Our Purpose

The purpose of Jefferson Elementary School is to support students as they become independent adults, capable of making a positive impact on our world.

Our Direction

With the support of the community, students will be given opportunities to be problem solvers, precise communicators, and productive individuals. Their uniqueness will be celebrated and their individuality encouraged. They will be lifelong learners and responsible leaders.

Our Goals

1. Create a positive learning environment for students and staff.
2. Improve the technological resources we have available for students.
3. Improve communication with our parents and stakeholders.
4. Provide more opportunities to inform parents of assessments and State Standards.
5. Provide a learning environment that will meet the individual needs of our students.

Enrollment Data Total: 542

Pre-School	4K	5K	1st	2nd	3rd	4th	5th
7	46	71	87	76	78	83	94

170 Flint Drive, Warrenton, SC 29851 803-593-7180 Fax 803-593-7112

The faculty and staff of Jefferson Elementary School strive to provide our students with a positive learning environment and a strong academic program that will meet their individual needs. Data is used to determine strengths and weaknesses. Each student is treated as a unique individual and supported as they become lifelong learners.

**2017-18
Percentage of students scoring
Met or Exemplary on SCPASS**

Grade	JES Science	JES Social Studies
4	56.2	82
5	39.1	62

3	30.6	33.3
4	41.6	37.1
5	34.8	25

Our state ranking is up
from 33.5% to 40.5%.

TITLE 1 INFORMATION
Jefferson Elementary is a Title I school. Currently, the poverty index is 75.25%. During the 2017-18 School Year, Title I continued to fund a science lab instructor to provide hands-on science lessons. In 2018-19, through the science lab, students will create a learning garden. Funds were also used to provide a reading interventionist to serve students in grades K-2 and a part-time instructional aide. The monetary support also allowed for the purchase of LCD projectors, bulbs, intervention materials, and other instructional materials. Teachers were able to supplement their classroom libraries and provide more high interest books for students.
