

## BELIEFS

We believe . . .

- Strong, nurturing home environments promote school success.
- Schools should be open to new ideas.
- All children can learn.
- Development of all students should be encouraged at all levels.
- Individuals should be publicly recognized for their efforts.
- Parents, communities, and schools should work together to achieve total quality education.

We envision . . .

- A school which will provide skills to students to make them successful in life
- Parents who want their children to succeed
- Parents having a positive attitude toward the school
- Parent involvement with their children at home, as well as, in school
- A school that is recognized as a National School of Excellence

## MISSION STATEMENT

In partnership with our community, the mission of Jefferson Elementary is to provide all students with a safe, stimulating, child centered environment that prepares them to become productive and contributing citizens in an ever-changing society. It is our objective that each student, faculty, and staff member at Jefferson Elementary be exposed to quality educational experiences that will ensure that they reach their maximum potential and become life-long learners.

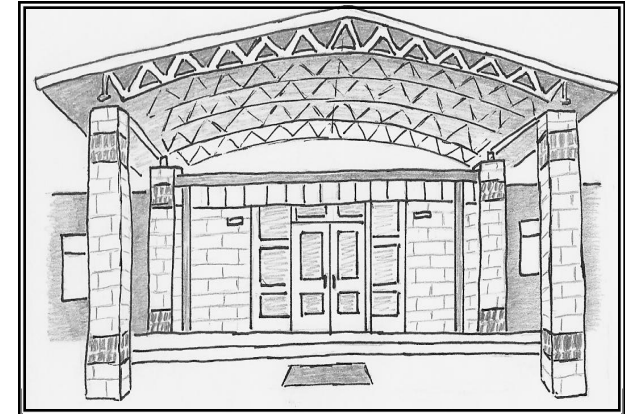

## SIC & PTO

### School Improvement Committee and

### Parent Teacher Organization

The School Improvement Committee (SIC) at Jefferson Elementary School is a group of parents, teachers, and community members that work together to ensure that the needs of our students and our community are being met. Issues such as student safety, communication, parent involvement programs, and the physical appearance of the building are discussed. The SIC and the PTO work together as a team to make Jefferson Elementary School a great place to work and learn.
