

SIC & PTO

School Improvement Committee and

Parent Teacher Organization

The School Improvement Committee (SIC) at Jefferson Elementary School is a group of parents, teachers, and community members that work together to ensure that the needs of our students and our community are being met. Issues such as student safety, communication, parent involvement programs, and the physical appearance of the building are discussed. The SIC and the PTO work together as a team to make Jefferson Elementary School a great place to work and learn.
