Our Purpose

The purpose of Jefferson Elementary School is to support students as they become independent adults, capable of making a positive impact on our world.

Our Direction

With the support of the community, students will be given opportunities to be problem solvers, precise communicators, and productive individuals. Their uniqueness will be celebrated and their individuality encouraged. They will be lifelong learners and responsible leaders.

Our Goals

Create a positive learning environment for students and staff.

Improve the technological resources we have available for students.

Improve communication with our parents and stakeholders.

Provide more opportunities to inform parents of assessments and State Standards.

Provide a learning environment that will meet the individual needs of our students.

Jefferson Elementary is a Title I school. Currently, the poverty percentage is 75.23%. During the 2015-2016 School Year, Title I funds were used to provide an extra teacher and instructional aide in kindergarten to reduce the number of students in each class. Funds were also used to provide a part-time instructional aide and parent-involvement aide. Instructional classroom resources were also purchased to allow students the opportunity to access more reading material on their instructional level. A certified tutor was also hired for students in grades 3-5 to provide additional support in the area of reading. The monetary support also allowed for the purchase of LCD projectors, bulbs, intervention materials, and other instructional materials.
