

2017-18 SCHOOL IMPROVEMENT GOALS

By 2021, our school will continue to provide a safe, orderly, and healthy school that insures a positive and caring learning environment by increasing community satisfaction with the school learning environment from 87.7% to 100%.

By June 2021, 95% of CDEP, kindergarten, first and second grade students will score at or above the 25th national percentile on a nationally normed and research based basic literacy skills assessment. Kindergarten will increase from 73% to 95%. First grade will increase from 82% to 95%. Second grade will increase from 81% to 95%.

Our school will recruit, retain and develop quality teachers and staff members to maintain 100% of state standards guidelines and expectations through June 2021.

Students continue to need early intervention in order to meet district and state benchmarks. DEER (Daily intervention, Enrichment, Educational Academic Assistance, Reading Fluency) continues to be beneficial for most students. This 30 minutes during the day is dedicated to improve reading. This is additional reading time beyond the 90 minutes of regular ELA classroom instruction. During this time students that are on grade level are in the computer labs for practice in reading and math. Students who need small group intervention are working in a classroom with a certified teacher. Students who are above grade level are working on enrichment reading activities with a classroom teacher.
