SCHOOL IMPROVEMENT GOALS

School Climate

By 2026, our school will provide a safe, orderly and healthy school that insures a positive and caring learning environment to enhance student experiences and teacher quality by increasing parent involvement from 15% to 75% measured by parent surveys and volunteer logs and by increasing positive Social Emotional health from 10% to 80% measured by student and teacher surveys.

Student Achievement

Reading: By June 2026, 75% of kindergarten, first and second grade students will score on or above grade level on a nationally normed and research based basic literacy skills assessment.

Math: We will continue working toward our math goal of 95% of kindergarten, first and second grade students scoring on or above grade level on a nationally normed and research based basic math skills assessment.

Teacher / Administrator Quality

Administration and teachers will receive and implement professional development in ELA and math small group instructional to support student achievement.

Boostertthon brings our BES community together!
