School Improvement Goals

School Climate

By 2026, our school will provide a safe, orderly and a healthy school that insures a positive and caring learning environment to enhance student experiences and teacher quality by

- Increasing parent volunteer hours from 0 hours to 2,000 hours measured by our Raptor volunteer program.
- Increasing parent survey participation on the state report card from 10% to 50%.
- Increasing positive Social Emotional health from 80% to 100% measured by student and teacher surveys.

Student Achievement

Reading: By June 2026, 75% of kindergarten first and second grade students will score on or above grade level on a nationally normed and research based basic literacy skills assessment.

Math: By June 2026, 75% of kindergarten-fifth grade students will score on or above grade level on a nationally normed and research based math assessment.

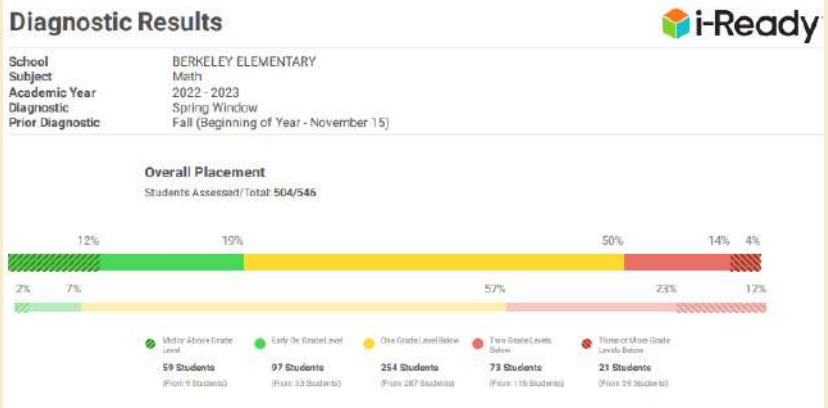

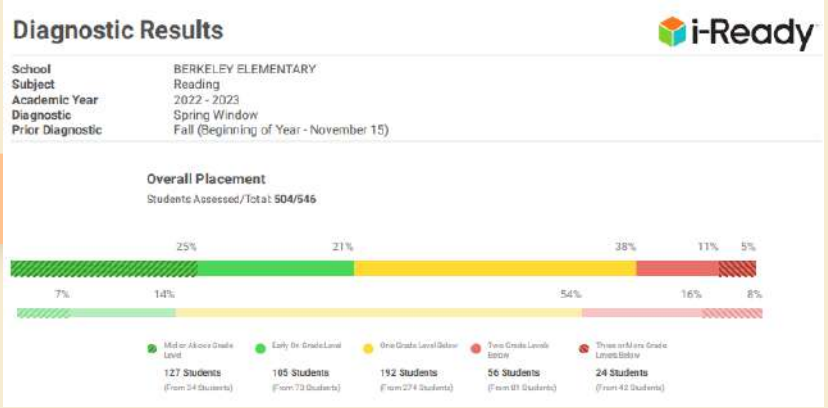

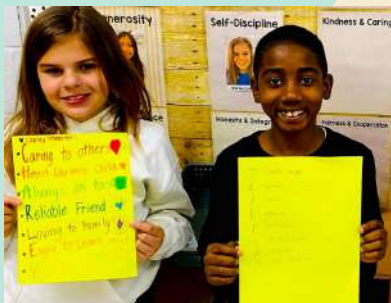

- K-2 will increase iReady Math from an average of 42% to 80%.
- 3-5 will increase iReady Math from an average of 29% to 80%.

Teacher/Administrator Quality

Administration and teachers will receive and implement professional development in ELA and math small group instruction to support student achievement.
