Message from the Principal

The faculty of Boulder Bluff is committed to putting learning first. We have discovered that we can empower our students with the leadership and life skills they need to thrive in the 21st century. Our commitment to the Leader in Me Program has allowed our school to create a powerful and supportive learning community. Also, we have endeavored to find innovative ways to ensure that all students achieve academic success. Our students are at the forefront of every decision that we make, and we understand the powerful premise that every child possesses unique strengths and has the ability to be a leader.

Parents and community members are an integral part of Boulder Bluff's success. The support that we receive from the community and the families that we serve is the foundation for our work towards continuous improvement. Next year, we invite you to come in, volunteer, and see all of the wonderful things that are going on at Boulder Bluff. We are always looking for partners willing to join in our efforts to ensure all of Boulder Bluff's students are given every opportunity to succeed.

Andrea Salters

GOALS

To achieve the school mission, the administration, faculty, and staff of Boulder Bluff Elementary School will increase student achievement.

- Provide recognition for student achievement
- Increase partnerships between school and community
- Increase parental involvement
- Maintain the student attendance rate at 96% or greater through 2026

We are striving to empower our students to develop the skills and self-confidence they need to lead their lives and succeed in school and beyond.
