**Principal's Report**  
**Mrs. Aidra Shaw**

This brochure is reflective of Cainhoy Elementary/ Middle School's 2015-2016 School Year. An additional brochure will be issued at the end of this school year to reflect our 2016-2017 successes at Cainhoy Elementary.

Cainhoy's commitment to student achievement remained our primary focus. In collaborative teams, the faculty continued to align district curriculum with SC College & Career Ready Standards.

In planning for the 2016-2017 school year, we decided to continue with our curriculum book studies and host curriculum conferences to use data to assist teachers in addressing specific instructional areas to improve student achievement.

With the continued dedication and support of our School Improvement Council, Parent Teacher Organization, district leaders, school board members, faculty and staff, and parents, Cainhoy looks forward to meeting the individual needs of all students.
