MISSION

We facilitate and support student-driven learning experiences by unleashing the power and potential of education.

Work and Life Skills

Adaptability

The ability to respond effectively based on circumstances, environments, or demands to solve problems.

Critical Thinking

Gathering information, analyzing, and making decisions to perform the task at hand.

Initiative

Recognizing a need, seeking a solution, and taking action to fulfill it.

Communication

Ability to receive and provide thoughts and ideas in an effective, efficient, and purposeful exchange.

Advocacy

Demonstrate self-discipline through strong character. Empower others towards solutions that have purposeful impact.

Resilience

Persist through independent and collaborative experiences, learning from them, and move forward.

Collaboration

The process of working with others to exchange ideas for a common goal.

AREAS OF EMPHASIS

- Implement Covid Protocols
- Create common assessments aligned with state standards
- Continue Professional Learning Community collaboration to improve student achievement
- Continue Gateway to Technology (GTT) Pre-Engineering Program
- Increase the number of eighth graders enrolling in Algebra I, English I, Spanish I, and Computer Science
- Stress excellence on SC Ready and Palmetto Assessment of State Standards (PASS) Tests
- Continue parent communication through Parent-Teacher Organization (PTO) meetings, newsletters, parent conferences, Wednesday folders, teacher and school webpages, Parent Portal, Facebook, and Blackboard Connect
- Celebrate student achievement with quarterly awards
- Utilize Reading Counts program and enhance reward system to promote reading across all grade levels
- Provide gifted/talented classes in all grade levels
- Continue Read180/System 44 in all special education classes
- Implement Individual Graduation Plans (IGPs) for eighth grade students
- Facilitate 7th year of the character education/SOAR Program
- Career Lunch-n-Learn Program
- Utilize Content Recovery lab and software
- Utilize Makerspace and implement technology for differentiated instruction
- Continue Parent/Student/Teacher of the Month recognition
- Continue to add additional technology
- iStem Program
- Continue STEAM certification by implementing a STEAM unit in each grade level.

Students work on projects and explore the universe in our new Makerspace.
