## Vision

Create a future we dare to imagine and make a positive difference.

## Mission

We facilitate and support student-driven learning experience by unleashing the power and potential of education.

### Work and Life Skills

#### Adaptability

The ability to respond effectively based on circumstances, environments, or demands to solve problems.

#### Critical Thinking

Gathering information, analyzing, and making decisions to perform the task at hand.

#### Initiative

Recognizing a need, seeking a solution, and taking action to fulfill it.

#### Communication

Ability to receive and provide thoughts and ideas in an effective, efficient, and purposeful exchange.

#### Advocacy

Demonstrate self-discipline through strong character. Empower others towards solutions that have purposeful impact.

#### Resilience

Persist through independent and collaborative experiences, learning from them, and move forward.

#### Collaboration

The process of working with others to exchange ideas for a common goal.

## Sangaree At a Glance

### Accreditation

Sangaree is accredited by AdvancED. AdvancEd is a non-profit, non-partisan organization that conducts rigorous, on-site external reviews of PreK-12 schools and school systems to ensure that all learners realize their full potential.

2017  
2018

USDA Healthier US School Gold Level Award (National)  
2018-2022

### Spring 2020 Benchmark Data

The Leader in Me™

great happens here

## School Improvement Council

The School Improvement Council works collaboratively with the school to develop and implement a five-year school improvement plan (school renewal plan), monitor and evaluate success in reaching the plan's goals and objectives, and write an annual report to parents about the progress of the plan. Councils also assist the principal in writing the narrative for the School Report Card.

When stakeholders are involved in their children's education, the quality of schools improves and children do better in school. Parents can bring great wisdom to the council. They have intimate knowledge about their children and access to other parents who can provide knowledge and insight.

Citizens who are not parents of children in the school can make unique contributions to School Improvement Councils. Senior citizens, business people, members of the faith community, staff of social service agencies and others all have knowledge, experience and resources to share. Community members who feel ownership in the school are often the best advocates for the children and the school.
