2017-2018 School Summary Report

Vision

To challenge and empower our students to be successful in a highly competitive world.

Mission

Building upon our rich Lowcountry traditions, we will ignite, in every student, a passion for life-long learning. Through dynamic instruction, creative partnerships and exceptional support, we will foster opportunities for each student to build a legacy of success.

Goals

Positive School Climate—We will provide safe, orderly and healthy schools that insure a positive and caring learning environment.

High Student Performance—We will realize high levels of academic growth and achievement for all students.

Community Engagement- We will build family, community, and business support that will generate advocacy for our schools and our school district.

Strategic Human Resource Management—We will recruit, retain and develop quality teachers, administrators and staff.

Fiscal Responsibility—We will be responsible stewards of our resources and insure that we provide a quality education for all students.

Effective Communications—We will develop, refine, and implement an effective communications plan for our school system.
