**END OF COURSE TESTING:**

**ENGLISH 1:** 94.4%

**ALGEBRA 1:** 79.5%

\*Percentage of students who passed End of Course Exams.

Sedgefield Middle School is a Title I school. Programs supported with Title I funds include before and after school tutoring, SuccessMaker math intervention labs, and family engagement nights. Our Title I funds also supported our Leader In Me and Renaissance initiatives to enhance school climate. Software programs were purchased to personalize student learning. Our before and after-school tutoring program provides academic enrichment in all core areas for all students. Additional teacher allocations were added to reduce class sizes, along with a technology coach to assist technology integration. Family nights were held to highlight engaging tasks for families, community members, and students.
