ABOUT OUR SCHOOL

Sedgefield Middle School is a community school that is dedicated to meeting the needs of all students and ensuring that they develop world class knowledge, skills and characteristics as outlined in the Profile of the South Carolina Graduate. Students are provided with rigorous and engaging instruction, engaged in a variety of extracurricular activities, and immersed in a positive school climate.

Teachers work together on a regular basis to analyze data, identify the academic strengths and weaknesses of students, and to plan engaging learning experiences for their students. This year we implemented the use of technology in all classes as part of the **OneBerkeley Connects** initiative.

We continue to provide a wide variety of enrichment activities for students.

These include: BETA, FBLA, Art, Sports Club, TechFit, Yearbook, and Robotics. Our students participate in athletics through Goose Creek High School and the Goose Creek and Hanahan Recreation Departments. At Sedgefield Middle, we recognize our responsibility to prepare students to triumph in a competitive world.

SC READY
