SC PASS:

SCIENCE: 48.4%

*Percentage of students who scored approaches to exceeds.

END OF COURSE TESTING:

ALGEBRA 1: 75.76%

*Percentage of students who passed End of Course Exams.

Sedgefield Middle School is a Title I community school. Our school is a Leader In Me school to support our students towards becoming world class leaders.

In addition to Leader in Me, our Title I grant funds other programs such as: after school tutoring, Math and ELA intervention labs, a makerspace classroom, a positive behavior rewards program, and family engagement nights. Software programs were purchased to personalize student learning. Our before and after-school tutoring program provides academic enrichment in all core areas for all students. Additional teacher allocations were added to reduce class sizes and provide additional academic intervention. Family events and meetings were held to highlight engaging tasks for families, community members, and students.
