# Principal's Message

St. Stephen Elementary School is an award-winning school where we believe in the adage that all children can learn and achieve high levels of academic success. We believe through collegial and cooperative efforts within the school community, we will be able to educate the whole child and bring about sustained academic excellence for every child. Passion and commitment are the traits that are emphasized throughout our school community and students know that excellence is expected.

High expectations, active engagement, reflection, sharing, relevant learning and student accountability are the conditions set forth for students.

Although we are not where we want to be, we are making gains overall in student achievement. We will continue to strive for excellence daily.

*Dr. Elaine Norton*

## Our Vision:

To challenge and empower our students to be successful in a highly competitive world.

## Our Mission:

Building upon our rich **Lowcountry traditions**, we will ignite, in every student a passion for life-long learning. Through dynamic instruction, creative partnerships and exceptional support, we will foster the opportunity for each student to build a **legacy of success**.

## 2010-2011 School Goals

- 1. To increase the percentage of parent participation in 2 or more parent/teacher activities.**
- 2. To improve student academic performance in grades 3-5 as measured by state-wide testing.**
