Berkeley County School District**

St. Stephen Middle School is a small rural community school that serves approximately 225 students in grades 6-8. Our goal is to provide a safe, positive, and nurturing school climate that supports the needs of students and a rigorous and challenging curriculum that prepares all students with 21st Century skills.

Opportunities for students to become college and career ready is supported through school-wide literacy and math initiatives, best practices for student engagement, data analysis, and high-performing professional learning communities.

Our goals and vision are strongly supported by our stakeholders, parents, staff, and community members; we value their shared commitment and support for the success of our school. Therefore, we continuously strive to provide opportunities for involvement and input through SIC (School Improvement Council), Title I planning, parent involvement events, and recognition programs.
