## Berkeley County School District

**BCSD Mission:** We facilitate and support student-driven learning experiences by unleashing the power and potential of education.

**BCSD Vision:** Create a future we dare to imagine and make a positive difference.

## Family Engagement at Whitesville

Family Nights are always a huge success. We have hosted drive-through engagement events. Families have continued to enjoy these modified activities.

Volunteers are an asset to our school! They assist with a variety of needs each and every day. WES would not be able to function with all the great activities if it weren't for our volunteers!
