

Our Vision...

Empower all students for success.

Our Mission...

In partnership with our community, ignite in every student a passion for world-class knowledge and skills through dynamic instruction and personalized educational opportunities.

Our Core Values...

Student and Learning Emphasis:

Focusing on quality teaching and learning with a priority on literacy for all students.

Quality Faculty and Staff:

Respecting the value of quality team members who make a difference in our school district.

Teamwork and Partnerships:

Developing and refining a team concept throughout the district that values the role of community engagement in meeting the needs of our students.

Continuous Improvement:

Focusing on becoming a great school system with the commitment of always striving to improve.

Management by Fact and Focus on

Results: Using reliable data as a basis for decision making that addresses the needs and expectations of our community.

Social Responsibility:

Promoting and maintaining ethical, professional, fiscal, and personal accountability.
