- Virtual Night Tutoring for students and families
- Kids Who Care for the Environment Projects
- School Action Teams
- Student Leadership Roles within each classroom
- Daily Student Run News Program
- Virtual Open House and Conferences
- National Honor Society

I am so proud of our students for making it through this difficult year. They have endured social distancing, wearing masks, hand washing, eating in their classrooms, temperature checks, on-line learning, wearing masks at recess and the list goes on. I cannot express how thankful we are to the community for how we have worked together to keep one another safe from COVID19.
