Carolina Green Fair Grant

Charleston County Parks and Recreation provided financial assistance for SFI to establish a paper recycling program.

DHEC Grant

Our DHEC grant allowed us to be able to recycle large cardboard, plastic, and aluminum cans! By 2030, there will be more plastic than fish in the ocean. We are being proactive to help reduce the amount of plastic that ends up in landfills and in the ocean!

Grant Provides Google Expedition Kit

Have you ever wanted to snorkel along the Australian reef? How about explore the space station? Our students have that opportunity thanks to the Google Expedition Kit that was provided to our school. Oh, the places we will go!

Walmart Community Grant

Our Neighborhood Walmart Market provided us with grant funds to maintain our garden beds and pots.
