

Partners in Education

Mount Holly Elementary School recognizes that partnerships with our families, community members, and businesses are vital to the success of our students and staff.

Academic Clubs

Academic clubs are held during the school day once a month. Every student is involved in a club. A few of the clubs include running, walking, circuit training, soccer, and kickball. Others are involved with cross-stitching, drawing, baking, Lego, gardening, and STEM clubs. Students select the clubs and learn to find their voice by using their talents, strengths, and passions to reach their leadership potential.

Community Service Club gives back

Snack bags for the Ronald McDonald House

Thank you cards for the Veterans Day program

A canned food drive to benefit the Oaks Church Blessing Box project

Thanking community helpers

Service learning creates opportunities for students to actively apply academic and leadership skills for the benefit of others.

Mount Holly Elementary School

Mount Holly Elementary School

Believe. Lead. Succeed.

Mount Holly Elementary School serves approximately 575 students between grades pre-kindergarten through 5th grade. As a Title One school, we receive federal funds to supplement our educational program with reading interventions and student supports.

Mount Holly Elementary School is a Leader in Me (LIM) Lighthouse School. The eight habits learned through the LIM model directly align with the Berkeley County Work and Life skills. Students assume school wide leadership roles. School Wide roles include Photographers, Welcome Wagon, Honor Guard, News Anchors, and Library Helpers. All students utilize Leadership Notebooks to track academic and personal goals. Each year students showcase their skills and talents during our annual Leadership Day. This student-led event helps us show parents, community members, and fellow educators how our students are learning to lead. This year's theme is "WILD ABOUT LEADERSHIP." We have had numerous opportunities to expand learning about the Habits of Highly Effective People, practice those habits, and are eager to continue on our journey of being leaders that succeed now and in the future.
