2012-2013 School Improvement Committee - Report to Parents

### **Our Mission**

*The mission of Langley Bath Clearwater Middle School is to deliver quality instruction that fosters high academic achievement and social development in a safe and nurturing environment in collaboration with the home and community.*

### **Synergistic Lab**

LBC's 7th and 8th graders visit the lab throughout the year with their Science and Math teachers. They explore such concepts as Robotics, Energy, Power & Mechanics, Plastics & Polymers, and Alternative Energy with the hands-on, interactive, electronic modules.

### **Academics**

- 100% of our English I and Algebra I students passed the EOC test.
- Our students have earned 8653.9 Accelerated Reader points this year.
- 14 Duke Tip Scholars
- LBC offers 5 subjects for high school credit: English I, Algebra I, Spanish, Keyboarding, Chorus, and Strings.
- *The Gifted and Talented program experienced the election process by studying a William and Mary Unit called "Road to the White House" last semester. This entitled them to study the democratic process and systems, roles and responsibilities of the President, the three branches of government, primaries and nominating convention process, electoral college and campaign simulations. This was an intense, interesting, and enlightening unit.*

### **Extracurricular Activities**

Our sports and fine arts programs offer wonderful opportunities for our students. We offer sports teams including: football, basketball, volleyball, cheerleading, golf and bowling. We also have band, strings, and chorus. Our students also participate in a variety of academic and service organizations to include the academic team, Beta club, yearbook, gardening club, student council and the news crew. The Yearbook Staff worked diligently and hard to highlight the 2012-2013 school year.

### **Some of our Points of PRIDE:**

#### **Strings Program**

LBC is proud to be one of the few middle schools that offers string orchestra for 6th, 7th, and 8th grade students. As well as performing for the school and community, our students are prominent participants in the Garcia All-County Orchestra Festival. Our students have had the privilege of working with members of the Graduate Strings Ensemble for USC Columbia as well as students and faculty from the Julliard School of Music located in New York City.

#### **Chorus**

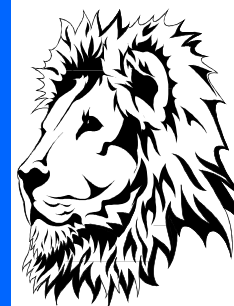

The LBC 8th grade Choral program performs regularly for school assemblies such as Veteran's Day, Christmas, Black History Month, Celebration Night, as well as a Spring performance for the school and community. This past December they performed the production of "Christmas In Oz". They have had the pleasure of working with faculty members from the Julliard School of Music in New York City and from USCA, and recently took a technical tour of the Washington Center for the Performing Arts in Aiken, SC. Chorus students perform a wide variety of literature as well as compose their own songs.

#### **Band**

On April 21st, the LBC Band traveled to Charlotte, NC to perform at the Carowind's Festival of Music. The panel of judges this year included Mr. David Shaffer, world renown composer. Mr. Shaffer composed the finale selection performed by the LBC Band. The band put on a wonderful concert and received the highest possible rating from each of the judges, a superior! Congratulations to the LBC band for their dedication and hard work in the pursuit of musical excellence.

#### **Golf**

This year's team was an excellent group of 7th and 8th graders who gave their best each time they played. Each one of them made us proud of their attitudes and sportsmanship. We hope that all future LBC golf teams have the character that this team had.

### **Academic Team**

Academic team finished the 2012-2013 season in 6th place. We ended the year with 5 wins and 5 losses. High scorers will be revealed on awards day.

### **Show Your Lion's "Pride"**

- Jonathan Robinson won the LBC School Spelling Bee
- Hunter Harris won the LBC School Geography Bee and made it to the State Bee.
- Student Council and Beta Club organize several annual fundraisers and participate in several community service projects. Our students participate in the following activities:

Salvation Army Canned Food Drive  
Valley Empty Stocking Fund  
Lymphoma/Leukemia Fundraiser  
Coat Drive for Homeless Students  
Benevolence for staff and students  
Teacher Appreciation Gift Bags  
Hosting of LBC News  
Faculty Valentine's Gifts

### **4 Junior Scholars**

Jaxen Coleman  
Emily Sloan  
Caleb Smith  
Matthew Wright

### **Duke Tip Scholars**
