Langley Bath Clearwater Middle

2021-2022 School Improvement Committee - Report to Parents

Our Purpose

The mission of Langley-Bath-Clearwater Middle School is to deliver quality instruction that fosters high academic achievement and social development, preparing our students for 21st Century careers and lifelong learning in a safe, nurturing environment in collaboration with the home and community.

Our Direction

We at Langley-Bath-Clearwater Middle School seek to prepare our students for the 21st Century by providing a curriculum rich in Science, Technology, Arts, and Mathematics. Our goal is to develop students of character and leadership who will become life-long learners and contributors to society and their community. They will be well equipped academically to pursue high school and post-secondary education that will prepare them for the career of their choice and to provide solutions to tomorrow's challenges.

Technology Initiatives

Teachers and administrators have engaged this year in professional development related to our Aiken County 1:1 technology initiative. In this year post Covid-19, our teachers were committed to fully adopting the 1:1 initiative by incorporating Teams meetings into their lesson planning. Any students that were out of school due to illness, could login to Teams at their scheduled class time and follow along with the class. In addition, teachers load all assignments into Schoology for easy access by students.

Technology Purchases

With the distribution of laptops to all students, LBC purchased every teacher a class set of mice and a charging station. We also purchased wireless adaptors so teachers would have the ability to connect their laptops to their smartboard and document cameras to use with their smartboard. In addition, we purchased 6 class sets of headphones.

Academics

- LBC offers 5 subjects for high school credit: English I, Algebra I, Geometry, Spanish I, and Fundamentals of Computing.
- *During our Acceleration Period*, students have learned about medical careers in HOSA, polished their leadership skills in Student Council, prepared to be future teachers in ProTeam, demonstrated their academic expertise in Academic Team, practiced thinking green by building Future Cities, and created memories in Yearbook.

Spanish

One of LBC's exploratory options is Spanish. All grades at LBC now have the opportunity to learn a foreign language, instead of only the top 25 as was done in previous years.

Field Trips and Guest Speakers

LBC students were not able to participate in our numerous enriching events due to Covid-19. Mrs. Greene's class did have a guest speaker, Ben Michaelsen, the author of Touching Spirit Bear, joined us for a virtual meeting and author talk. We conducted virtual Veteran's Day and Black History celebrations, Pep Rallies, and our Christmas program. We did hold two Book Fairs in person and our Awards Days, where we invited parents to attend. We were able to hold the Miss LBC Pageant with a few adjustments for Covid-19. Each grade level debuted separately for social distancing, tracking and sanitizing purposes. Audience members were seated with family and adequate spacing was insured, and outgoing guests exited away from incoming guests.

LBC Sports Teams

Football Basketball Volleyball Golf Cheer

Our athletes displayed great teamwork and perseverance, giving their best every time they played. Some members of our student body also play high school sports, such as baseball, softball, track, and tennis. Each one of our students made us proud with great attitudes and outstanding sportsmanship.

Some of our Points of PRIDE

Band - The band plays at football games and pep rallies, Honor Roll Awards, Veteran's program, Christmas concert, Christmas Parade, SC All State & Region band auditions, SC Region 2 band clinic, Aiken All County band clinic, Clearwater & Jefferson Elementary, SC State and Solo Ensemble Festival, where most received Superior. Our 6th grade band students performed in the Aiken All County Da Capo Band Clinic.

LBC Clubs

| | |
|----------------------------|------------------------|
| Junior Beta Club | Student Council |
| Academic Team | Future City |
| Yearbook Staff | ProTeam |
| Walking Club | News Crew |
| Science Exploration | HOSA |
| FCA | Book Club |

During this year, LBC students participated in a variety of clubs. They competed, built, broadcasted, designed, discussed, exercised, photographed, and read while they also learned, laughed, and served.

Buddy Club

This unique LBC opportunity allows friendships to form and blossom between regular education and special education students. They participate in Project Unity and Special Olympics together. All these students enjoy their times together and learn much from one another.

Academic Rigor

English students participated in Socratic seminars, **a formal discussion, based on a text, in which the leader asks open-ended questions.** Within the context of the discussion, students listen closely to the comments of others, thinking critically for themselves, and articulate their own thoughts and their responses to the thoughts of others.

Our English 1 students participated in the Aiken County MLK Essay Contest. LBC students placed 1st, 2nd, and 3rd in the competition.

Show Your Lion's "Pride"

- **LBC Spelling Bee**
Two LBC students participated in the Bee which LBC hosted.
- **Student Council and HOSA** have several annual fundraisers and service projects:

Salvation Army Canned Food Drive
 Valley Empty Stocking Fund
 Socktober (Socks for the Needy)
 HOSA Color Run
 PTO Dances
 Book Fair
 Pep Rally
 Spirit Week
 Muffins for Moms/Donuts for Dads
 Icees for Mommies/Dogs for Dads
 Miss LBC Pageant
 Benevolence for Staff and Students
 Teacher Appreciation
 Hosting of LBC News
 Valley Christmas Parade

LBC Student Council collected about 700 food items and donated them to Our Lady of the Valley catholic church just in time for Thanksgiving. Student Council also sponsored the Valley Empty Stocking fundraiser in which students and staff donated \$3000 to provide Christmas for the needy in our area. Our Beta Club held a toiletry fundraiser and collected hygiene products for our local homeless shelter as well.

Academic Superstars

5 Junior Scholars
2 USCA Scholar's Academy Participants
