2020-2021 School Improvement Committee - Report to Parents

Our Purpose

The mission of Langley-Bath-Clearwater Middle School is to deliver quality instruction that fosters high academic achievement and social development, preparing our students for 21st Century careers and lifelong learning in a safe, nurturing environment in collaboration with the home and community.

Our Direction

We at Langley-Bath-Clearwater Middle School seek to prepare our students for the 21st Century by providing a curriculum rich in Science, Technology, Arts, and Mathematics. Our goal is to develop students of character and leadership who will become life-long learners and contributors to society and their community. They will be well equipped academically to pursue high school and post-secondary education that will prepare them for the career of their choice and to provide solutions to tomorrow's challenges.

Professional Development

Teachers and administrators have engaged this year in professional development related to our new Aiken County 1:1 technology initiative. In this year of Covid-19, Aiken County Public Schools has fully adopted a 1:1 initiative by providing every student with a laptop for school and home use. Teachers completed a 6 week training course on various online modules they could use for online instruction during our hybrid model during quarantine, as well as during full face to face instruction the 2nd half of this school year.

Technology Updates

With the distribution of laptops to all students, LBC purchased every teacher a class set of mice and a charging station. We also purchased wireless adaptors so teachers would have the ability to connect their laptops to their smartboard and document cameras to use with their smartboard. In addition, we purchased 6 class sets of headphones.

Academics

- LBC offers 5 subjects for high school credit: English I, Algebra I, Geometry, Spanish I, and Fundamentals of Computing.
- *During our Acceleration Period*, students have learned about medical careers in HOSA, polished their leadership skills in Student Council, prepared to be future teachers in ProTeam, demonstrated their academic expertise in Academic Team, practiced thinking green by building Future Cities, and created memories in Yearbook.

Spanish

One of LBC's exploratory options is Spanish. All grades at LBC now have the opportunity to learn a foreign language, instead of only the top 25 as was done in previous years.

Field Trips and Guest Speakers

LBC students were not able to participate in our numerous enriching events due to Covid-19. Mrs. Greene's class did have a musician guest speaker, Sam Reider, via Zoom and learned a lot participating in a discussion with him. We conducted virtual Veteran's Day and Black History celebrations, Awards Day, Pep Rallies, and our Christmas program. We did hold two Book Fairs in person in conjunction with a Food Truck for the students, staff and community. We were able to hold the Miss LBC Pageant with a few adjustments for Covid-19. Each grade level debuted separately for social distancing, tracking and sanitizing purposes. Audience members were seated with family and adequate spacing was insured, and outgoing guests exited away from incoming guests.

LBC Sports Teams

Football Basketball Volleyball Golf Cheer

Our athletes displayed great teamwork and perseverance, giving their best every time they played. Some members of our student body also play high school sports, such as baseball, softball, track, and tennis. Each one of our students made us proud with great attitudes and outstanding sportsmanship.

Some of our Points of PRIDE

Music Program

Music - LBC chorus students performed Christmas carols virtually for the student body in December.

Band - The band plays at football games and pep rallies, Honor Roll Awards, Veteran's program, Christmas concert, Christmas Parade, SC All State & Region band auditions, SC Region 2 band clinic, Aiken All County band clinic, Clearwater & Jefferson Elementary, SC State and Solo Ensemble Festival, where most received Superior. Our 6th grade band students performed in the Aiken All County Da Capo Band Clinic.

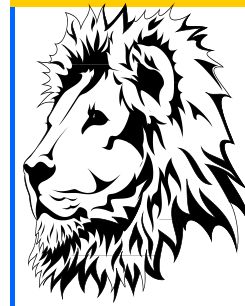

LBC Clubs

Junior Beta Club	Student Council
Academic Team	Future City
Yearbook Staff	ProTeam
Walking Club	News Crew
Science Exploration	HOSA
FCA	Book Club

During this year, LBC students participated in a variety of clubs. They competed, built, broadcasted, designed, discussed, exercised, photographed, and read while they also learned, laughed, and served.

Buddy Club

This unique LBC opportunity allows friendships to form and blossom between regular education and special education students. They participate in Project Unity and Special Olympics together. All these students enjoy their times together and learn much from one another .

Show Your Lion's "Pride"

- **LBC Spelling Bee**
Two LBC students participated via Teams.
- **Student Council** and **HOSA** have several annual fundraisers and service projects:

Salvation Army Canned Food Drive
Valley Empty Stocking Fund
Socktober (Socks for the Needy)
HOSA Color Run
PTO Dances
Book Fair
Pep Rally
Spirit Week
Muffins for Moms/Donuts for Dads
Icees for Mommies/Dogs for Dads
Miss LBC Pageant
Benevolence for Staff and Students
Teacher Appreciation
Hosting of LBC News
Valley Christmas Parade

LBC Student Council collected about 700 food items and donated them to Our Lady of the Valley catholic church just in time for Thanksgiving. Student Council also sponsored the Valley Empty Stocking fundraiser in which students and staff donated \$3000 to provide Christmas for the needy in our area. Our Beta Club held a toiletry fundraiser and collected hygiene products for our local homeless shelter as well.
