Langley Bath Clearwater Middle

2016-2017 School Improvement Committee - Report to Parents

Our Purpose

The mission of Langley-Bath-Clearwater Middle School is to deliver quality instruction that fosters high academic achievement and social development, preparing our students for 21st Century careers and lifelong learning in a safe, nurturing environment in collaboration with the home and community.

Our Direction

We at Langley-Bath-Clearwater Middle School seek to prepare our students for the 21st Century by providing a curriculum rich in Science, Technology, Engineering, Arts, and Mathematics (STEAM). Our goal is to develop students of character and leadership who will become life-long learners and contributors to society and their community. They will be well equipped academically to pursue high school and post-secondary education that will prepare them for the career of their choice and to provide solutions to tomorrow's challenges.

Professional Development

Leader in Me, the professional learning community of LBC read another book by Stephen Covey, *Leader in Me*, as a follow-up of last year's book, *7 Habits of Highly Effective People*, by the same author. During the 2016-17 school year, teachers facilitated the learning of this book in their instruction. In addition teachers participated in STEM/STEAM workshops provided by Aiken school district, USCA, and SREB. They also had Mastery Connect professional development .

Technology Updates

LBC purchased 1 3D Printer and 2 interactive all-in-one projectors. The district also updated all school computers to Windows 10.

Academics

- English I EOC Exam - 100% passed
- Algebra I EOC Exam - 100 % passed
- LBC offers 5 subjects for high school credit: English I, Algebra I, Spanish I, Keyboarding, and Computer Apps.
- *In the 6th & 7th grade Gifted and Talented program, GT students have created weather instruments. They have researched and created solar cookers. They have researched and learned about the plants and animals native to SC, and have completed an iPad picture taking scavenger hunt on the school grounds to find & photograph examples of those plants.*

Synergistic Lab

LBC's General Education students visit the lab throughout the year with their teachers. They enjoy exploring modules including: Engines, Forensic Math, CNC Manufacturing, Plastics and Polymers, Energy Power and Mechanics, Environmental Math, Water Management, Home Makeover, Bioengineering, Engineering Bridges, Weights and Measurements, Robots, Computer Graphics/Animation, CAD, Statistical Analysis, Package Design, and Hotel Management.

Field Trips and Guest Speakers

LBC students were able to participate in several enriching events. 1st Sergeant Conrad Kaluzny and US Navy officer Patrick Toohey were guest speakers at our Veteran's Day program. In addition, the 2016 Wendy's Heisman National Winner, Ms. Frelicia Tucker, was the guest speaker at our Black History program. Our chorus and strings students performed *Over the Moon* for parents and students and for the Aiken Arts Festival. LBC English I students had the opportunity to attend Aiken Community Playhouse Youth Wing performance of *Romeo and Juliet*. Seventh grade had Engineering guest speakers from Savannah River Site. Two LBC teachers became trained and successfully lead our first year of Pro-team, the middle school version of Teacher Cadet.

Some of our Points of PRIDE

Music Program

Strings - LBC is proud to be one of the few middle schools that offers strings for 6th, 7th, and 8th grade students. Highlights include performing for the school and community, participating in the Garcia All-County Orchestra Festival, and playing with members of the Graduate Strings Ensemble for USC Columbia and the Allant Trio from the Julliard School of Music.

Chorus - Our Choral program performs for assemblies such as Veteran's Day, Christmas, Black History Month, Celebration Night, and our Spring Concert. Students also sang with the Julliard 451 Orchestra and The Trinity on Wall Street Choir and participated in the annual All-County Honors Chorus.

Band - Congratulations to the LBC band for their dedication and hard work in the pursuit of musical excellence.

Extracurricular Activities

LBC Sports Teams

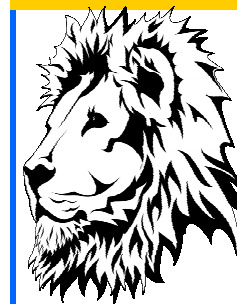

Football **Basketball** **Volleyball**
Golf **Cheerleading** **Tennis Club**
Bowling

Our athletes displayed great teamwork and perseverance, giving their best every time they played. Each one of our students made us proud with a great attitudes and outstanding sportsmanship.

LBC Clubs

Junior Beta Club **Student Council**
Academic Team **Book Club**
Yearbook Staff **Gardening Club**
Math Counts **News Crew**
Future City: Greener City Award

During this year, LBC students participated in a variety of clubs. They competed, planted, harvested, broadcast, designed, photographed, read, and discussed while they also learned, laughed, and served. LBC clubs are a great place to have fun and acquire leadership skills.

Show Your Lion's "Pride"

- **LBC Spelling Bee**
Winner qualified for District Bee
- **LBC Geography Bee**
Winner qualified for State Bee
- **Student Council and Beta Club** have several annual fundraisers and service projects:

Salvation Army Canned Food Drive
Valley Empty Stocking Fund
Socktober (Socks for the Needy)
Jeans for Teens
PTO Dances
Miss LBC Pageant
Benevolence for Staff and Students
Teacher Appreciation Gift Bags
Hosting of LBC News
Valley Christmas Parade

Buddy Club

This unique LBC opportunity allows friendships to form and blossom between regular education and special education students. They participate in Project Unity and Special Olympics together. All these students enjoy their times together and learn much from one another .
