Langley Bath Clearwater Middle

2018-2019 School Improvement Committee - Report to Parents

Our Purpose

The mission of Langley-Bath-Clearwater Middle School is to deliver quality instruction that fosters high academic achievement and social development, preparing our students for 21st Century careers and lifelong learning in a safe, nurturing environment in collaboration with the home and community.

Our Direction

We at Langley-Bath-Clearwater Middle School seek to prepare our students for the 21st Century by providing a curriculum rich in Science, Technology, Arts, and Mathematics. Our goal is to develop students of character and leadership who will become life-long learners and contributors to society and their community. They will be well equipped academically to pursue high school and post-secondary education that will prepare them for the career of their choice and to provide solutions to tomorrow's challenges.

Professional Development

Teachers and administrators have engaged this year in professional development related to our new Aiken County Instructional Framework. Aiken County Public Schools have embraced a common Instructional Framework, created by a group of teachers, coaches, and administrators. This framework provides a shared belief system with a common language and a set of best practices. This framework features the following components: Learning Objectives, Activators, Concept and Skill Development, Guided and Independent Practice, Transitions, Closure, and ongoing and varied Checks for Understanding. We use this framework to foster engagement and growth in all our students.

Technology Updates

LBC replaced teacher projectors with new interactive smartboards. We also purchased new graphing calculators and document cameras.

Academics

- English I EOC Exam - 100% passed
- Algebra I EOC Exam - 96.9 % passed
- LBC offers 6 subjects for high school credit: English I, Algebra I, Geometry, German I, Coding, and Computer Apps.
- *During our Acceleration Period*, students have learned about medical careers in HOSA, polished their leadership skills in Student Council, prepared to be future teachers in ProTeam, polished their public speaking skills in Literary Arts, practiced thinking green by building Future Cities, and created robots in Lego Robotics.

Synergistic Lab

One of LBC's exploratory options is Synergistic Lab. They enjoy exploring modules including: Engines, Forensic Math, CNC Manufacturing, Plastics and Polymers, Energy Power and Mechanics, Environmental Math, Water Management, Home Makeover, Bioengineering, Engineering Bridges, Weights and Measurements, Robots, Computer Graphics/ Animation, CAD, Statistical Analysis, Package Design, and Hotel Management.

Field Trips and Guest Speakers

LBC students were able to participate in several enriching events. Our Veteran's Day program featured Midland Valley High's NJROTC and a moving performance by our theatre class. In addition, we enjoyed a play, a historian, poetry, singing and dancing during our Black History program. Our drama students performed *SOAPS* for parents and students. LBC hosted two Literacy Nights and a Celebration Night for parents and students to showcase the academic and artistic excellence of LBC. We also brought in Chad Crews, a well known magician and author to entertain our students We offered three grade level field trips for students to participate in and provided fundraising opportunities to assist with the cost.

LBC Sports Teams

Football Basketball Volleyball Golf Cheer
Our athletes displayed great teamwork and perseverance, giving their best every time they played. Each one of our students made us proud with a great attitudes and outstanding sportsmanship.

Some of our Points of PRIDE Music Program

Strings - LBC is proud to be one of the few middle schools that offers strings for 6th, 7th, and 8th grade students. Highlights include performing for the school and community, participating in the Garcia All-County Orchestra Festival, and playing with members of the Graduate Strings Ensemble for USC Columbia and the Allant Trio from the Julliard School of Music.

Drama - Drama is alive and well at LBC with our "SOAPS" Drama Club! Our Students are truly Students on Active Performance! They concluded the semester with performances of the play entitled "I am Angel" which depicts the life of a typical teenager with choices to make on what is most important - to fit in, or to be your self... *The year will end with a performance of "How to Succeed in High School Without Really Trying" for the visiting 5th graders.*

Band - The band plays at football games and pep rallies, Honor Roll Awards, Veteran's program, Christmas concert, Christmas Parade, SC All State & Region band auditions, SC Region 2 band clinic, Aiken All County band clinic, Clearwater & Jefferson Elementary, SC State and Solo Ensemble Festival, where most received Superior. Our 6th grade band students performed in the Aiken All County Da Capo Band Clinic.

LBC Clubs

Junior Beta Club	Student Council
Academic Team	Lego Robotics
Yearbook Staff	ProTeam
Math Counts	News Crew
Future City	HOSA

During this year, LBC students participated in a variety of clubs. They competed, built, broadcasted, designed, photographed, read, and discussed while they also learned, laughed, and served.

Show Your Lion's "Pride"

- **LBC Spelling Bee**
- **LBC Geography Bee**
Winner qualified for State Bee
- **Student Council** and **HOSA** have several annual fundraisers and service projects:

- Salvation Army
- Canned Food Drive
