

ASSESSMENTS

Cog/AT and IOWA - These nationally normed tests are administered to our second graders each year to identify children for Berkeley County School District's Gifted and Talented programs. Students take these tests in November, and results are received in January. This year, 7 students automatically qualified for the gifted and talented program for next school year. Additionally, 24 second grade students qualified for further testing.

Common Assessments - Teachers work together in Professional Learning Communities to create common assessments based on state standards. Results are used to plan for instruction and remediation.

Students enjoy many events throughout the school year. High Five Friday's, McDonald's Night, the Fun Run, and Roscoe Reading were just a few!

Westview Primary has achieved many accomplishments in the past fourteen years. WVP has earned Advanced accreditation, the Palmetto Silver Award (2010-2011), and the Closing the Achievement Gap Award (2003, 2006, 2007). We are also a Red Carpet School. In 2011, WVP became the Goose Creek site for Head Start.

Faculty and staff have participated in up-to-date trainings for Darkness to Light (child abuse awareness and prevention), CPI (nonviolent crisis intervention), CPR and First Aid to build a safe learning environment for our students. Yearly, our teachers collaborate with CSU, C of C, TTC, University of Phoenix and Ashland University in Ohio college students to enrich our students' learning.

WVP also participates in community events such as the Trident United Way Day of Caring, Jump Rope for Heart, Pink Pelican's Race for a Cure, and Alzheimer's Memory Walk.

WVP would like to thank our business partners and community and high school volunteers!

Charleston Southern University students created activities for our students to practice reading, math, and technology skills during our WVP Family Curriculum nights! The CSU students gave our WVP students handouts with information to help continue their learning at home.
