

## ASSESSMENTS

**Cog/AT and IOWA** - These nationally normed tests are administered to our second graders each year to identify children for Berkeley County School District's Gifted and Talented programs. Students take these tests in November, and results are received in January. This year, 10 students automatically qualified for the gifted and talented program for next school year. Additionally, 34 second grade students qualified for further testing.

**Common Assessments** - Teachers work together in Professional Learning Communities to create common assessments based on state standards. Results are used to plan for instruction and remediation.

Students enjoy many events throughout the school year.

Westview Primary has achieved many accomplishments in the past fifteen years. WVP has earned AdvancED accreditation, the Palmetto Silver Award (2010-2011), and the Closing the Achievement Gap Award (2003, 2006, 2007). We are a Common Sense Certified Digital Citizenship School. We are also a Red Carpet School. In 2011, WVP became the Goose Creek site for Head Start.

Faculty and staff have participated in up-to-date trainings for Darkness to Light (child abuse awareness and prevention), CPI (nonviolent crisis intervention), CPR and First Aid to build a safe learning environment for our students. Yearly, our teachers collaborate with CSU, C of C, TTC, University of Phoenix and Ashland University in Ohio college students to enrich our students' learning.

WVP would like to thank our business partners, community and high school volunteers and CSU faculty and staff!
