

ASSESSMENTS

AIMSweb - Kindergarten through second grade students are given AIMSweb benchmark assessments three times a year in ELA and Mathematics. Teachers use the data collected to plan for instruction and remediation.

MAP - Measures of Academic Progress is a computerized assessment completed two times a year by our second grade students in Reading and Math. Results are used to plan for instruction and remediation. Our most recent results show the following percentages of students scoring at or above the 50th%:

Grade	Reading	Math
2nd	85%	80%

Cog/AT and IOWA - These nationally normed tests are administered to our second graders each year to identify children for Berkeley County School District's Gifted and Talented programs. Students take these tests in November and results are received in January. This year, 16 students automatically qualified for the gifted and talented program for next school year. Additionally, 51 second grade students qualified for further testing.

CSU students worked with our teachers twice this year to make the WVP Family Curriculum nights a huge success! Students engaged in math and reading activities that could also be played at home to reinforce BCSD curriculum.

WVP at a Glance

- 711 Students (Headstart, K4-2)
- 49 Certified Teachers
 - 11 Master's Degree
 - 4 Doctorate Degree
- 12 National Board Certified

2011-2012 School Report

Vision

To challenge and empower our students to be successful in a highly competitive world.

Mission

Building upon our rich Lowcountry traditions, we will ignite, in every student, a passion for life-long learning. Through dynamic instruction, creative partnerships and exceptional support, we will foster opportunities for each student to build a legacy of success.

Teacher of the Year

Shelly Rucker

Mrs. Shelly Rucker and family

Westview Primary has achieved many accomplishments in the past ten years. WVP has earned Advanced accreditation, the Palmetto Silver Award (2010-2011), and Closing the Achievement Gap Award (2003, 2006, 2007). We are also a Red Carpet School. In 2011, WVP became the Goose Creek site for Headstart.

Faculty and staff have participated in up-to-date trainings for Darkness to Light (child abuse awareness and prevention) and CPI (nonviolent crisis intervention) to build a safe learning environment for our students. Yearly, our teachers collaborate with CSU, C of C, and TTC college students to enrich our students' learning.

WVP also participates in community events such as the Trident United Way Day of Caring, Jump Rope for Heart, Pink Pelican's Race for a Cure, Alzheimer's Memory Walk, and SPCA Pet food drive.

We welcomed Headstart K3 & K4 students and families in Fall 2011.

Thank you Charleston Water System volunteers for your efforts to improve our school on the 2011 Day of Caring!
