Our Values and Commitments

At WVP, our shared values and commitments are the foundation that solidifies our daily work. We believe in the development of the whole child. It is imperative that we take care of ourselves so that we can take care of others. We will demonstrate honesty, integrity and professionalism in all tasks and communication. We respect and value the family unit and its impact on students' learning.

WVP students enjoy many events throughout the school year.

Westview Primary has achieved many accomplishments in the past nineteen years. WVP has earned AdvancED accreditation, the Palmetto Silver Award (2010-2011), and the Closing the Achievement Gap Award (2003, 2006, 2007). We are a Common Sense Certified Digital Citizenship School. We are also a part of the Competency Based Education pilot with an emphasis in Personalized Learning. WVP was recognized as a Channel 2 Cool School of the week in February 2018. In 2011, WVP became the Goose Creek site for Head Start.

Faculty and staff have participated in up-to-date trainings for Darkness to Light (child abuse awareness and prevention), CPI (nonviolent crisis intervention), CPR and First Aid to build a safe learning environment for our students. Yearly, our teachers collaborate with students from CSU, C of C, TTC, University of Phoenix, and Ashland University in Ohio to enrich our students' learning.

WVP would like to thank our parents, business partners, community and high school volunteers, and CSU faculty and staff!
