WORK & LIFE SKILLS

Adaptability: Responding effectively based on different variables to solve problems

Critical Thinking: Gathering information, analyzing, and decision making to perform the task at hand,

Initiative: Recognizing a need, seeking a solution, and taking action to fulfill it.

Advocacy: Demonstrating self-discipline through strong character. Empowering others toward solutions that have purposeful impacts.

Resilience: Persisting through independent and collaborative experiences, learning from them, and moving forward.

Collaboration: Working with others to exchange for a common goal.

Mission Statement:

We facilitate and support student-driven learning experiences by unleashing the power and potential of education.

Vision Statement:

Create a future we dare to imagine and make a positive difference.
