

Vision and Mission Statement

We envision a school district where everyone works harmoniously in a safe and caring environment to help all students reach their maximum potential.

The mission of Calhoun County Public Schools, in unity with parents and community, is to provide an environment conducive to learning that challenges all students to reach their maximum potential for success in a rapidly changing global society

Sandy Run Goals

Goal 1: To increase overall student achievement on formative and summative assessments.

Goal 2: To provide a safe school environment that encourages regular attendance and develops responsible behavior.

Goal 3: To provide more opportunities for stakeholder's involvement in our students' education

Goal 4: To provide faculty and staff with current and relevant professional development.

The Sandy Run K-8 family always strives towards a successful school year. Success is defined by how we meet the needs of the students we serve academically, emotionally, and socially. Academically, our ESEA score is B for our elementary and C for middle school. We are a Rewards School for the third consecutive year. This achievement was accomplished through the dedication and cooperation of staff, students, and parents. We will continue to set high academic goals for our students and seek the continuous collaboration with our parents. We understand that students need a safe, inviting, and caring atmosphere to operate during the course of a day. Thus, administration, staff, SIC members, and PTO implemented the PBIS program, (Positive Behavioral Interventions and Supports). PBIS goals are to:

- Develop a continuum of scientifically based behavior and academic interventions and supports
 - Use data to make decisions and solve problems
 - Arrange the environment to prevent the development and occurrence of problem behavior
 - Teach and encourage prosocial skills and behaviors
 - Implement evidence-based behavioral practices with fidelity and accountability
 - Screen universally and monitor student performance.
- We strive to make teaching and learning our goal.
