The Sandy Run K-8 family continues to grow and progress in all areas. Our stakeholders play an integral part in our students' success. During the 2017-2018 school year, the School Improvement Council members work diligently to create an environment that is conducive to learning. The school entrance is adorned with seasonal wreaths and decorative flowers to welcome our school family. In addition, the council is working hand-in-hand with the school to ensure all students are empowered to compete and succeed. Quality teaching and learning, as well as, students attendance are our top priority. Our Gator Pride continues to soar as we strive for excellence!
